**NOTICE OF HEARING  
BIG SKY TRAILS, LTD  
SOAH Docket No. 582-17-5012  
TCEQ Docket No. 2017-0491-MWD  
Permit No. WQ0015479001**

**APPLICATION.**

Big Sky Trails, Ltd, 4347 West Northwest Highway, Suite 130-248, Dallas, Texas 75220, has applied to the Texas Commission on Environmental Quality (TCEQ) for new Texas Pollutant Discharge Elimination System (TPDES) Permit No. WQ0015479001 to authorize the discharge of treated domestic wastewater at a daily average flow not to exceed 680,000 gallons per day. TCEQ received this application on May 20, 2016.

The facility will be located approximately 1 mile northwest of the intersection of U.S. Highway 380 and Jackson Road, and approximately 8 miles west of the City of Krum, in Denton County, Texas 76259. The treated effluent will be discharged to an unnamed tributary; thence to Denton Creek; thence to Grapevine Lake in Segment No. 0826 of the Trinity River Basin. The unclassified receiving water use is limited aquatic life use for the unnamed tributary. The designated uses for Segment No. 0826 are high aquatic life use, public water supply, and primary contact recreation. In accordance with 30 Texas Administrative Code (TAC) § 307.5 and the TCEQ implementation procedures (June 2010) for the Texas Surface Water Quality Standards, an antidegradation review of the receiving waters was performed. A Tier 1 antidegradation review has preliminarily determined that existing water quality uses will not be impaired by this permit action. Numerical and narrative criteria to protect existing uses will be maintained. A Tier 2 review has preliminarily determined that no significant degradation of water quality is expected in Denton Creek, which has been identified as having high aquatic life use. Existing uses will be maintained and protected. The preliminary determination can be reexamined and may be modified if new information is received.

The TCEQ Executive Director has prepared a draft permit which, if approved, would establish the conditions under which the facility must operate. The Executive Director has made a preliminary decision that this permit, if issued, meets all statutory and regulatory requirements. The permit application, Executive Director's preliminary decision, and draft permit are available for viewing and copying at Krum Public Library, 803 East McCart Street, Krum, Texas. As a public courtesy, we have provided the following Web page to an online map of the site or the facility's general location. The online map is not part of the application or the notice:
